

IIS serves as the inclusive voice of the industry, providing a platform for both private and public stakeholders to promote resilience, drive innovation, and stimulate the development of markets. Members include life and nonlife insurers from developed and emerging markets, as well as brokers, scholars, regulators and advisors. By virtue of its diverse membership, IIS is recognized for its global convening power amongst all stakeholders of the industry with a policy neutral platform that explores the forces that shape the industry, supports industry expansion, and enhances the relevance of the industry's stature in the global economy. Its signature annual event, the Global Insurance Forum, is considered the premier industry conference and is attended by 500+ insurance leaders from around the globe.
